JIM'S JUNGLE LOVE AT ARANYAM SPA, RAMNAGAR

Nestled at the edge of Corbett Tiger Reserve, this spa offers chemical-free facials using organic ingredients sourced locally. Head this way to give your skin a boost with jungle herbs, roots and forest clay. The ritual commences by cleansing the face with rose water, coconut milk and aloe vera gel. Exposure to steam follows, to remove excess oil and grime. Then the skin is exfoliated

with Himalayan raw honey mixed with oats, almond powder and dried orange peel. A relaxing facial massage, using a mixture of ripe papaya, aloe vera and apricot oil, comes next. Organic clay is applied to soothe the skin and the treatment concludes with a moisturising massage. Duration: 60 MINUTES Price: ₹2,200 Where: ARANYAM SPA, JIM'S JUNGLE RETREAT, UTTARAKHAND →
